

GUIDE: JIFU "Rank" and "Welcome" Social Media Templates

Step 1: Download blank Instagram and Facebook sized templates from JIFU.com/Library OR the JIFU Member Affiliates Facebook Group "files" section

Step 2: Sign into your Canva.com account (or create an account for free)

Step 3: Select "Create a design" and choose either the "Facebook" or "Instagram" post. (Whichever graphic you are wanting to create)

Step 4: Choose "Upload" and select the JIFU template from your computer files.

Step 5: Select "Elements" >> "Frames" and select a circle frame for your template. Size it to fit the sample circle area.

Step 6: Choose "Upload" and select your team member's image from your computer files. Drag the image into the circle frame on the template

Step 7: Choose "Text" and add their name below the photo circle. Adjust font if needed

Step 8: Download the completed file and post on social media!
