Rules of promotion

- All rooms are based on double occupancy. Earners of all ranks who receive a full trip for one person will be paired with another earner of a full trip for one person of the same sex. Earners of a full trip for two will receive either a one double occupancy room and will room with their chosen guest or a one single occupancy private room. Efforts will be made to accommodate Affiliates who request to be paired together, but this is not guaranteed. In the event an Affiliate earns a full trip for one person and desires to pay for a desired guest to attend—in the event there is availability at the Hotel the Company will do all possible to accommodate the request and allow the Affiliate to pay for the difference in room price.
- Trip earners will be responsible for booking their own roundtrip flights. Reimbursement of the value of the earned airfare voucher, up to but not exceeding the amount of their purchased airfare receipt, will be issued to Affiliate 30 days after the close of the trip, after they have uploaded their receipt(s) and sent proof of the purchased airfare receipt to the Company.
- Affiliate must be active and in good standing with the company to participate in the promotion. All tickets are nontransferable and nonrefundable. Earners are responsible for making sure they have a current passport with an expiration date that is at least six months after trip end date, and if necessary, a visa to enter the country or countries.
